Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescription has
changed my life. Before taking the medication
I had depression, sleeplessness and anxiety.
If I can't obtain this medication from
my pharmacy, I don't know what quality
my life will be. Please reconsider.
